Frequently Asked Questions:

When can we have access to the space for our vendors and/or friends and family to set up?

For any physical set-up (i.e., dancefloor, furniture rentals, pipe & drape, balloon arch, etc.), your vendors would have access to the space 4 hours before the start of your event. For any decorations, smaller touches, or any other vendors, you would have access to the space at least 2 hours before your event or once all the physical set-up has been completed.

More set-up time can be reserved ahead of time at an additional cost. This would be upon request and based on hotel availability. The week of your wedding, the Hotel will determine if the space can be accessed at an earlier time based on available inventory and staff schedules. This would not incur any additional costs and would be communicated to you if available.

Do I have to use specific vendors?

No. Although we can provide you with a list of preferred vendors that we've worked with in the past, you are welcome to use any vendor of your choice, provided they have liability insurance.

Is there a dance floor or stage included in the room rental or wedding package?

No. We do not own a dance floor nor any staging. You are welcome to rent either through a 3rd party vendor. Although we can provide you with referrals upon request, we cannot rent it for you due to liability concerns.

What is the latest my event can go?

The latest your event can go is until 11pm. Since there are sleeping rooms above the ballroom, we have to do our best to cut off loud noises by then. Most proposals are based on a total 4-hour event runtime, unless otherwise specified. Additional time can be requested to start your event earlier.

How does parking work?

We provide complimentary event self-parking for all your wedding guests and vendors, upon availability. When your guests get to the hotel, they will have to pull up to valet and let them know they're here for the wedding to receive a parking pass and parking instructions. Any guests staying at the hotel will still be subject to normal overnight parking fees. Valet event parking is available to your guests at \$8 per car. Should you wish ahead of time to cover the valet parking charges for your guests, it would be \$5 per car.

Do you allow outside catering?

We do not allow outside food to be catered. Should you wish to bring in a specific wine, we can serve it with dinner or offer it at the bar, but there would be a corkage fee of \$25 per bottle. The only foods we would allow to be brought in besides your wedding cake are specialty made cupcakes, themed cookies or a candy bar. Should you have a vendor in mind for an action dessert station, please inquire with your sales manager before booking.

How many bartenders will we have?

All wedding reception packages include 1 bartender for every 75 guests, up to a maximum of 3 bartenders. Additional bartenders may be requested, if available, at \$150 each per hour.
